

**IN THE CLAIM**

Please cancel Claims 1 to 5, without prejudice or disclaimer of the subject matter thereof, and add new claim 6 and 7.

The added new claim 6 is identical to the original claim 1, but some feature in the Fig. 5 is added. The added new claim 7 is identical to the original claim 2, but some feature in the Fig. 5 is added. The Fig. 5 is elected in the pervious response to the office action and the claims 1 and 2 are permissible to further examine. Thereby, it is assured that the new claims are based on the original claim and specification and thus no new matter is added.

The relation of the new claims with respect to the original claims are shown in the following REMARK, Examiners can read the claims more easily from the REMARK.

**LIST OF CLAIMS:**

Claims 1 to 5 (Cancelled)

Claim 6. (new) A silicone-rubber plate used in an oven, said plate comprising a projecting circumferential edge, a metal bar contained in said circumferential edge; said plate not disfiguring when it is held up by a user and keeping its flat shape so as to prevent soup in said plate from overflowing and to maintain intact the appearance of baked food placed on said plate and also to hamper food thereon from falling off; and

wherein the plate has plurality of elliptical recess.

Claim 7. (new) A silicone-rubber plate used in an oven, said plate comprising a projecting circumferential edge, said circumferential edge having an inlet, a metal bar inserted through said inlet to extend
